The U.S. Postal Services annual, full-color tribute to the commemorative stamps of the last 12 months, The 2010 Stamp Yearbook is a keepsake for collectors of all ages.

From the Back CoverThis year, the U.S. Postal Service's commemorative stamp program encourages us to look beyond ourselves and strive for great things. From legendary figures such as Ronald Reagan and Arthur Ashe to awe-inspiring creations such as skyscrapers and sports cars, the 2005 stamps showcase a variety of subjects from the worlds of nature, science, the arts, and public service. This new edition of The Commemorative Stamp Yearbook

offers insight into the development of each stamp, as the men and women behind the commemorative program discuss the process of creating tiny masterpieces that bring into focus the beauty of our nation and the accomplishments of its greatest citizens. Beautifully designed as a keepsake for collectors of all ages, The Commemorative Stamp Yearbook is the perfect way to capture the diversity of the 2005 stamp program. Featuring space for collectors to affix their matching stamps, this is a book no stamp enthusiast will want to be without. About the Author John E. Potter is the Postmaster General and Chief Executive Officer of the United States Postal Service. James L. Bruns is Director of the National Postal Museum, Smithsonian Institution, located in Washington, DC.
