## 2006 Standard Catalog Of Baseball Cards

**Bob Lemke : 2006 Standard Catalog Of Baseball Cards** before purchasing it in order to gage whether or not it would be worth my time, and all praised 2006 Standard Catalog Of Baseball Cards:

0 of 0 people found the following review helpful. Index?By Chad AchenbachI agree that this is the most comprehensive book around, but is my index the only one whose page numbers are not accurate? It must have been otherwise it could not be ranked a 5-star book by everyone else.

This pioneer catalog of baseball card collecting delivers the premium quality collectors have come to expect, along with the largest price guide on the market. Accurate and realistic price values found in this resource help collectors of any level find their niche in a continually fluctuating market. Current values in up to three grades and large format pages make this the most comprehensive catalog in the business. In this 15th edition, baseball card enthusiasts will benefit from an emphasis on vintage cards and collectibles through the early 1980s, as well as complete checklists

with photos for more than 12,500 sets. Whether it's pre-World War II issues, superstar cards of the 1950s and 60s, or rookie cards of today's home-plate powerhouses, this is a must-have for any baseball card hobbyist. -Coverage of the last 100+ years of collecting history -Updated market values for more than 500,000 cards -Hints for spotting fake collectibles
