Pro Wrestling Fans (especially in the Midwest) Should Get This!By Retro RickThere's not a lot to say other than each year the MWR Yearbook takes you through the events, promotions and stars around Missouri and vicinity. The yearbook is well organized with the featured attraction being stories happenings organized in chronological order from January through December. There are columns, MWR Award Winners, and towards the back even a complete listing of results from the area promotions. It's a great keepsake and you never know when the local stars of last year could be the big names of the future. :-)
