50 Knots You Need to Know: Learn 50 knots for sailing, climbing, camping, and more

Marty Allen : 50 Knots You Need to Know: Learn 50 knots for sailing, climbing, camping, and more before purchasing it in order to gage whether or not it would be worth my time, and all praised 50 Knots You Need to Know: Learn 50 knots for sailing, climbing, camping, and more:

1 of 1 people found the following review helpful. No More Ratchet StrapsBy Davette MowersI bought this book for my husband. Although he was a Boy Scout, the knot tying must not have been a badge he earned. If we don't have a ratchet strap handy it WILL come untied (a bad thing!). I bought it more as a joke because we always tease him about

his lack of knot tying prowess but he is actually using it and tying great knots.0 of 0 people found the following review helpful. Five StarsBy Jim DunnMy nephew a scout really liked this book.0 of 0 people found the following review helpful. Four StarsBy cpmoWill be a gift for a friend who sails on weekends. Looks very interesting.

Attention all nerds, put down that laptop and pick up this brilliant guide to tying 50 must-know knots. If you're unaware of the difference between a Cow Hitch and a Marlinspike Hoop or a Running Bowline and a Square Lashing, all will be revealed in "Knot Nerds." Packed with step-by-step instructions, discover how to tie knots to get you through any situation, whether it's nautical knots for sailing adventures or shanks and hitches for camping or climbing weekends. You will learn simple knot-making techniques that can be used for all your nerdly pursuits. And once you've graduated from the easy stuff you can move on to the more serious examples, such as a make-shift rope halter to you can use to tame a wild beast or strong knots for securing and tying things together. Also included are a couple of pieces of rope, so you can start tying knows right away. But be warned, it's VERY addictive!

About the AuthorMarty Allen is a Brooklyn-based renegade crafter, artist, writer, musician, and liker of life. He makes all sorts of things and is an expert tier of knots. Visit his website at martystuff.com.
