I enjoy seeing and reading about the things made and used from my grandmothers and great-grandmothers time. It is a book to truely delight any reader. Thanks, Vicky2 of 2 people found the following review helpful. Good, detailed steps illustrate a "lost art".By Kindle CustomerThis book outlines the steps involved in making round oak baskets (not the basket shape but the material), and a profile of a rare and gentle man. Worth reading, good instructions.1 of 1 people found the following review helpful. mr stumps great grand daughterBy lisa stump waltersmy daughter jamie stump is dwight stumps great grand daughterI am very pleased at the way this book was written and the pictures are beautiful.Thank you all so very much for sending me this and making it something that my daughter can cherish for a life time
