A Complete Guide To Kumihimo On A Braiding Loom: Round, Flat, Square, Hollow, And Beaded Braids And Necklaces

Kathy King James : A Complete Guide To Kumihimo On A Braiding Loom: Round, Flat, Square, Hollow, And Beaded Braids And Necklaces before purchasing it in order to gage whether or not it would be worth my time, and all praised A Complete Guide To Kumihimo On A Braiding Loom: Round, Flat, Square, Hollow, And Beaded Braids And Necklaces:

1 of 1 people found the following review helpful. Nice addition for kumihimo enthusiastsBy Kim W.The only reason I

give this four stars instead of five is because I was hoping it would give more ideas on using the square kumihimo disk. While it does have instructions for flat and square braids, it often states "this can often be done on a square disk," but never explains how. Otherwise, it's a great book for beginners and has beautiful pictures and instructions for more advanced pieces as well. And if anyone can recommend a good book or site with ideas for using the square disk, please post it! :-)

0 of 0 people found the following review helpful. Three Stars By James A. Duncan Works but not exactly what I was expecting.

1 of 1 people found the following review helpful. Great book for beginner By Customer I just bought this book to learn some more Kumihimo braid patterns. This book is great for me since I am just beginning to learn Kumihimo. But I also seen more books that I want to purchase in the future with more intermediate patterns. It is my daughters fault she got me hooked line and sinker on a new craft. Bless her heart. Lol

A traditional Japanese art form accomplished with modern equipment! 88 pages with everything you need to know to turn contemporary cords and ribbons into beautiful braided creations. Necklaces, friendship bracelets, belts, straps, leashes, keychains, gourd embellishments, and many, many other possibilities! Step-by-step instructions for basic and advanced braiding techniques. Using the widely available handheld KumiLoom and other disks, you'll be creating a masterpiece your first day! The secret of adding beads as you braid is revealed, for one-of-a-kind creations. Many detailed drawings and photographs of the steps and finished products. Convenient 6x9 format slips easily into purse or project bag.
