(Ebook pdf) A Field Guide to Australian Opals

## **A Field Guide to Australian Opals**

**Barrie O'Leary : A Field Guide to Australian Opals** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Field Guide to Australian Opals:

0 of 0 people found the following review helpful. Great educational book.By MarbleenaOne of the best opal books written. Wonderful photos and information. I've been looking for this book everywhere and happy I finally found it.

PP 159 with numerous color photos. Numerous color photos highlight this practical and authoritative field guide that names every recorded opal deposit in Australia and pinpoints its location.
