A Handweaver's Notebook

Sharon Alderman : A Handweaver's Notebook before purchasing it in order to gage whether or not it would be worth my time, and all praised A Handweaver's Notebook:

1 of 1 people found the following review helpful. Five StarsBy CustomerSharon Alderman's books are always logical, readable, colorful, educational and enjoyable.0 of 0 people found the following review helpful. Excellent resourceBy PSDThis is my second copy! Gave the first one to a new weaver. It is excellent!0 of 0 people found the following review helpful. ContentsBy 2crazy4books2a handweaver's notebookswatch collections from handwoven magazineby sharon alderman1990From back cover "Subtle Colors, elegant textures and patterns, and first-quality natural silks, cottons, linens, and wools are the hallmark of Sharon Alderman's classic handwoven fabrics. For ten years her seasonal collections of coordinated fashion fabrics have appeared in Handwoven magazine. Now, in A Handweavers Notebook, Alderman shares her design process, tricks of the trade, and specific instructions for more than a hundred of these fabrics. Designing weave structures to suit their intended use, selecting materials, creating colour harmonies that sing, achieving perfect drape and hand - all are explored in detail, along with the personal stories behind each collection."

Subtle colors, elegant textures and patterns, and first-quality natural silks, cottons, linens, and wools are Sharon Alderman's hallmarks. Here she shares her design processes, tricks of the trade, and specific weaving instructions for

more than 100 of these fabrics, all shown in stunning photographs.
