A Handwoven Treasury

Jane Patrick : A Handwoven Treasury before purchasing it in order to gage whether or not it would be worth my time, and all praised A Handwoven Treasury:

My old copy ended up with someone else, so I decided to buy another copy. There are many projects in it that are long out of (magazine) print--definitely "oldies but goodies", since the basics of weaving rarely change. Highly recommended for all levels of weaving proficiency.0 of 0 people found the following review helpful. Five StarsBy N. A.
