(Ebook free) Allied Small Arms of World War One

## **Allied Small Arms of World War One**

**John Walter : Allied Small Arms of World War One** before purchasing it in order to gage whether or not it would be worth my time, and all praised Allied Small Arms of World War One:

Walker tells of the background, development, and construction of the weapons of the Allied powers during WWI. Walter provides an overview of the developments in the years leading up to the conflict and then documents the handguns, rifles, and machine guns of each of the nations involved. Well researched and lavishly illustrated.

About the AuthorJohn Walter is a respected authority on all aspects of weaponry and is the author of The Luger Story and Rifles of the World.
