American Stoneware (Wallace-Homestead Price Guide)

Don Raycraft, Carol Raycraft : American Stoneware (Wallace-Homestead Price Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised American Stoneware (Wallace-Homestead Price Guide):

2 of 2 people found the following review helpful. Five StarsBy Ehren T.Excellent easy to understand reference.3 of 4 people found the following review helpful. A fun book, a great introduction to American Stoneware. The reader craves more!By K. WarzechaIntelligent, insightful, a bit thin. Needs a strong revision, and maybe more along the lines of

why people collect stoneware and their individual inspirations. An updated yearly insert price guide would be great, and a link where people can share info, chat sites, etc. - involving American Stoneware. 4 of 5 people found the following review helpful. American Stoneware By sato I am trying to learn more and more about the history of these great crocks. This book has helped me and I really enjoyed the pictures.
