Ancient Coin Collecting V: The Romaion/Byzantine Culture (v. 5)

Wayne G. Sayles : Ancient Coin Collecting V: The Romaion/Byzantine Culture (v. 5) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ancient Coin Collecting V: The Romaion/Byzantine Culture (v. 5):

12 of 12 people found the following review helpful. Thorough and Clear - An Excellent Resource By Mark D. Merlino Wayne Sayles has created a masterpiece with his "Ancient Coin Collecting V - The Romaion/Byzantine Culture." This book is a great resource, it introduces all of the main themes in Byzantine coinage and directs the reader

where to look to find out more. This book goes at length to describe the denomination of Byzantine coins, the meanings of the markings, and has an article for each emperors and claimants to the throne, from 491-1453. At least every page has at least one black and white photo, many genealogies, excellent bibliographies and much more. This is an excellent resource for anyone interested in Byzantine coins. This book is also offers are remarkably lucid description of the narrative of Byzantine history. Highly recommended. 0 of 0 people found the following review helpful. Great beginner references for all collectors By SCOTT from FL Another good book from Wayne Sayles - not the most academic of series but good basic information and great photos/illustrations 0 of 0 people found the following review helpful. Five Stars By Rockhound Mike Good reference book.

The Romaioi, Greek citizens of the Roman East, stood squarely in the path of Islamic expansion and saved Europe from being overrun by powerful tribes from the East. Their coinage reveals a society with strong religious undercurrents and divergent philosophies, but plagued by political and financial crises.

Ancient Coin Collecting V: The Roman/Byzantine Culture explores the history and art of a culture that survived for nearly 1,000 years. Through the timeless record of coins you'll learn what happened after the Fall of Rome, witness the sacking of Constantinople by marauding Crusaders, and experience the empire's last days under Constantine XI.

This volume is the perfect introduction to the fascinating hobby of collecting ancient coins. Author Wayne G. Sayles entertains, educates and inspires beginning and expert collectors alike, drawing on more than 30 years of experience in studying and collecting coins from antiquity. Special features include:

More than 300 photos, including an illustrated guide to the Emperors of Byzantium

A guide to coin attribution, along with denomination, dating and mint information

Powerful reference tools, including comprehensive index, bibliography and glossary
