condition1 of 1 people found the following review helpful. Clock price guideBy JokoWas a used book , but was in good shape. The clock I was looking for was not in the book, so it didn't help me15 of 15 people found the following review helpful. Don't.By A CustomerI must of clicked on the wrong book. What good is a price guide to 1985 prices if it gives you nothing more than the price?! That's all you get here. Save your money and put it toward a clock!
