Collector's Guide to International Coca-Cola Bottles

Richard Mix : Collector's Guide to International Coca-Cola Bottles before purchasing it in order to gage whether or not it would be worth my time, and all praised Collector's Guide to International Coca-Cola Bottles:

4 of 4 people found the following review helpful. Collector's Guide to International Coca-Cola BottlesBy Calvin LaangThis book (or should I say manual) is a must for all those who collects the regular Coca-Cola bottles from the different parts of the world. It is indexed alphabetically according to countries. Not only is there a picture of the bottle itself, there is also some information on the identification marks on the bottle. Richard had also included some information/facts on the country concerned.Richard had really done his homework for this book. He had also included an interesting bit on where Coca-Cola bottles are not available. Let me relate one incident where this part of the book had been especially helpful to me. A friend of mine was going to Myanmar and knowing that I collect Coca-Cola bottles told me that he would buy one Coca-Cola bottle for me there. After searching through this book, I was able to tell him that it is not necessary for him to look for it as Myanmar does not have a Coca-Cola bottling plant/factory.

NEW - First Edition. Detailed Information on Collecting Coca-Cola Bottles from Around the World. How to Identify and Classify International Bottles. An Educational Geography Lesson on Every Country including Capitol, Population, Currency and Area. More than 200 Photographs of Bottles from all over the Globe. Information On Books and Collectors Clubs.

About the Author Since he began his collection in 1983, Richard Mix has amassed the World's largest and most complete collection of commemorative Coca-Cola bottles. His pursuit of the hobby has taken him around the globe touring bottling plants and visiting with collectors in over 25 countries on five continents including; Australia, China, Hong Kong, Hungary, Italy, Mexico, Slovakia, Spain, Thailand, and Venezuela among others. Richard is an active member of the Coca-Cola Collectors Club, an 7,000 member organization for Coke memorabilia enthusiasts, and has served as President of the Atlanta Chapter. Richard authored The Mix Guide to Commemorative Coca-Cola Bottles in 1990 as well as five supplemental Cross-Reference Guides on the subject. He has also written dozens of articles on commemorative bottles for numerous publications on collectibles.
