I enjoyed learning more about my family's history and seeing how ...By Christina N.I enjoyed learning more about my family's history and seeing how the area looked during the 1940s and 1950s. I have relatives who lived in Colonial Beach, Virginia, when it was 'the place to be'. It was fun to look at the postcards and 'see' the same sights they once saw.1 of 1 people found the following review helpful. Down Memory LaneBy sharonMy husband loved getting this book for his birthday.He is from Colonial Beach, his uncles owned the casino's and he said childhood and teenage memories just kept flowing through his thoughts as he flipped the pages of the book.This was a super find and an excellent gift.It arrived earlier than expected.Thank you.1 of 1 people found the following review helpful. Historic playgroundBy Lawrence CogutThis is an excellent table top book for quick browsing with interesting pictures. But it is much more than that as it recounts the history of a town that time forgot, Colonial Beach, Virginia. The historical perspective through a progression of picture postcards makes this book a fascinating glimpse of the progression of the town during its heyday.

The steamboat St. Johns has just brought you down the Potomac from Washington. The boardwalk is only steps away.

Fun awaits! Enjoy your stay! Colonial Beach, Virginia, was the premier summer resort on the Potomac River, attracting visitors from Virginia, Washington D.C., and Maryland by the thousands. Discover how Colonial Beach got its start and learn its exciting and colorful history, from bathing belles to slot machines. Over 280 vintage postcard views, from 1905 to the 1960s, guide you back to an earlier time at the beach and around town. Included are arriving steamboats, the boardwalk, the dancing pavilion, bath houses, Eleanore Park, historic homes and hotels, and the Monte Carlo gambling pier. For the curious and collectors, values for the postcards are provided in the captions.
