If gemstones have always been hard for you to color like they have for me then this book will help!0 of 0 people found the following review helpful.

Love the bookBy Vladimir KushnirLove the gems, very good book. The tutorials in the book are useful for the beginner gem colorist. When I am done with this book, will definitely buy another volume.1 of 1 people found the following review helpful. Nice book for coloring gemstonesBy LeAnnBeautifully drawn gemstone's to color! I love all the patterns and hope to perfect my gemstone coloring techniques or at least see improvement with them. Enjoyable
