## Complete Guide To Stamps Collecting

**Dr. James Mackay : Complete Guide To Stamps Collecting** before purchasing it in order to gage whether or not it would be worth my time, and all praised Complete Guide To Stamps Collecting:

0 of 0 people found the following review helpful. This is a great overview of stampsBy tongpakfuThis is a great overview of stamps. It has a prodigious amount of excellent photos. The country-by-country pages give a brief historical overview of the country or region, and has photos of some of the region's more significant stamps. This book is well-written, informative, and entertaining.0 of 0 people found the following review helpful. Beautiful pics and geographyhistory infoBy FormerSASuperb book (I borrowed it from SFPL, several times). Beautiful pics and geographyhistory info! 2005 ed. BUT this listing says Nov 1 2017! Is there a new edition coming?? (also, the prices in this listing seem confused: \$3 used but \$18 used is only choice to buy, at the moment)1 of 2 people found the following review helpful. BEAUTIFUL!By MichelleIt has over 3000 of the world's best stamps, and a professional guide to starting and perfecting a spectacular collection.

A directory of the world's greatest stamps, a history of philately, and guide to collecting.

About the Author Dr James Mackay was one of the foremost and most prolific authors on stamps and stamp collecting in the world. He wrote over 100 books and thousands of articles on stamps and other collectables, and owned one of the largest private collections of stamps and philatelic material in the world.
