Confederate Treasury Notes: An Illustrated Guide Catalog to Confederate Money

Dave Nelson : Confederate Treasury Notes: An Illustrated Guide Catalog to Confederate Money before purchasing it in order to gage whether or not it would be worth my time, and all praised Confederate Treasury Notes: An Illustrated Guide Catalog to Confederate Money:

2 of 2 people found the following review helpful. Loaded with informationBy Dr. KayeI'd had Confederate notes for years and finally decided to get some information on them. I certainly chose the right book. It's easy to read and

understand. However, it doesn't offer information on state notes.

A photographic guide to Confederate currency issued by the Confederate States Government during the War Between the States (US Civil War). This must have book for the Confederate currency collector is loaded with reference material and current banknote values. Contains color photos of the actual currency.

About the Author Dave Nelson grew up in Richmond, Virginia and has pursued the period surrounding the United States' "War Between the States" all of his life. "Uncle Davey's Americana" is a work in progress stemming from a life-long ambition to have his own business in which he could provide the artifacts of US history. His store in Jacksonville, Florida is open Monday through Saturday except when closed for Dave to participate in one of fifteen annual national shows. You may also shop his store via his website, <http://www.uncledaveys.com> or you may call him directly at 904.730.8932.
