Contemporary Marbles and Related Art Glass (Schiffer Book for Collectors)

Mark P Block : Contemporary Marbles and Related Art Glass (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Contemporary Marbles and Related Art Glass (Schiffer Book for Collectors):

1 of 1 people found the following review helpful. More than a coffee table bookBy Steve HrciarMarbles need to be seen to be appreciated and in this book you get a nice sampling of some great work by some of the great pioneers of glass. It also give you a nice insight into the history of the contemporary marble and transistion to the torchworked marble. It would be nice to have a revised current edition of this work the only problem would be the book would probably weigh about 90lbs. with all the terrific talent that has emerged over the past few years.0 of 0 people found the

following review helpful. Five StarsBy CustomerGreat book. Well written.0 of 0 people found the following review helpful. Wonderful art glass collectors guideBy CLSNice book. Great photos and backgrounds on artists.

Exquisite marbles produced by more than 130 artists and craftsmen are represented in over 600 stunning color photographs. The thorough text includes an extensive and detailed look at the pioneers, current artists, and craftsmen of the contemporary handmade marble movement. The history and development of handmade marbles is reviewed in words and illustrations, beginning with the earliest use of decorative glass and moving forward to the influence studio glass founders brought to bear on the pioneers and current craftsmen of contemporary handmade marbles. Also included are tips for the purchase and care of fine marbles, an in-depth glossary, and a valuation guide. This book will be a joy for everyone fascinated with glass. Novice and experienced art glass and marble collectors alike will appreciate this beautiful book.

About the AuthorMark P. Block is a dealer in contemporary handmade studio art glass, a collector, and a graphic designer. He wrote this book in cooperation with the Marble Collectors Society of America.
