Did found out the age, approximate value etc. Not a collector so rest of info was irrelevant to me.2 of 2 people found the following review helpful. EXCELLENT RESERCH BOOKBy RichterThis is just one of the best costume jewelry research books you can have in your library if you are a serious collector.0 of 0 people found the following review helpful. very useful!By britni landersAs described, very useful!

This title focuses on costume and multi-purpose jewellery, clips, motion jewellery and figural jewellery. There are hundreds of listings and photographs, and information on caring for collectible pieces and identifying reproductions.

About the AuthorMarian Cohen, best known for her long-running column in *Antique Trader? Weekly*, is one of the country's leading experts on jewelry collecting. She was the primary contributor to the *Antique Trader? Jewelry Price Guide*.
