For over 100 years, Hamley Co. of Pendleton, Oregon, has been one of the premier manufacturers of saddles and other leather goods. Noted for superb quality, design, and craftsmanship, Hamley products for cowboys and ranchers are

shipped to every state in the Union as well as many foreign countries. This complete republication of the now-rare 1942 Hamley catalog provides a fascinating record of the hundreds of items manufactured and sold by the firm: hand-finished, finely tooled saddles, Stetson hats, Levi's, Pendleton shirts, hand-engraved silver spurs, sterling silver buckle sets, hand-stamped belts, cowhide chaps, leather boots, fringed leather riding suits for women, and many more. Collectors, Western fans, and nostalgia lovers will delight in this comprehensive catalog. Descriptive captions accompany each item, including list price, color, size, and other relevant information.
