Creative Glass

Charles McFadden Danijela Kracun : Creative Glass before purchasing it in order to gage whether or not it would be worth my time, and all praised Creative Glass:

0 of 0 people found the following review helpful. Excellent BookBy Mark LGreat book with a lot of amazing glasswork.2 of 4 people found the following review helpful. overall informativeBy digglesbeethis book reviews international glass blowers, would prefer it just american glassblowing in functioning glass art. Little disappointed that most was stained glass/displays in libraries, churches, etc. AKA not a book about glass pipes or culture.2 of 4 people found the following review helpful. Great Art in a Great BookBy Carl L. NevittThis is a great book with lots of great art inside. The art gives me ideas to try in my own studio. The book is full of color and is pleasing to the eye weither you are an artist or not.

Explore the work of 117 artists whose techniques include blown, cast, fused, etched, layered, copper foil, enamel, paint, and flame work along with stained glass and mosaic compositions. More than 550 art objects are shown, from

intricate jewelry pieces to architectural installations. Text reveals artists' stories, as well as a who's who list of galleries, studios, and schools in the glass art world.

About the Author Charles McFadden and Danijela Kracun enjoy writing books, meditating, and doing yoga. Danijela has a masters in Art History. She apprenticed with Helene Weiss at the Willet Stained Glass Studio for two years, and has written for Stained Glass Quarterly.
