## **Cylinder Musical Box Design and Repair**

**H. A.V. Bulleid : Cylinder Musical Box Design and Repair** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cylinder Musical Box Design and Repair:

1 of 1 people found the following review helpful. great bookBy stephen newmarkthis is a really great book but it is very expensive. I bought it to repair an old music box that was given to me as a gift. I decided against doing the work myself but the book was helpful in my understanding what was involved.

A detailed guide to builders, musical arrangements, mechanical construction and restoration.
