[Download free pdf] Designing and Drafting for Handweavers: Basic Principles of Cloth Construction

## **Designing and Drafting for Handweavers: Basic Principles of Cloth Construction**

**Berta Frey : Designing and Drafting for Handweavers: Basic Principles of Cloth Construction** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Designing and Drafting for Handweavers: Basic Principles of Cloth Construction:

1 of 1 people found the following review helpful. not for this beginnerBy Juniore am a beginner weaver and i find this book too advanced for me...the pics are in black/white which takes away from the beauty of the weaves and makes it all very dull...so, i would suggest that a beginner not buy this book...she also has her drafts in different position than the "usual " method of writing drafts...she justifies it, but when i pick up a draft it does not mimic her drafts and that i find confusing for this beginner...i'm disappointed with this book...i'm sure that once i find a beginner's book that will teach me drafts on a more fundamental level i think i will eventually understand this book.0 of 0 people found the following review helpful. Classic Weaving bookBy Elizabeth M. JonesThis book is a classic. I lost mine and could not live without it in my weaving library!0 of 2 people found the following review helpful. Five StarsBy SusanGreat.

Basic principles of cloth construction for weavers complete with 173 illustrations, diagrams of patterns and basic structures.
