[E-BOOK] Devore: For Weavers and Knitters

## Devore: For Weavers and Knitters

**Anne Field : Devore: For Weavers and Knitters** before purchasing it in order to gage whether or not it would be worth my time, and all praised Devore: For Weavers and Knitters:

Bold or intricate, the process known as devore, which creates stunning designs etched into numerous fabrics, is fully examined in this introductory guidebook. Filled with inspirational color photographs, the step-by-step instructions describe the techniques for designing beautiful and original fashion wear. Whether using the traditional velvet and silk combination or exploring other materials, this guide shows how to achieve this unique styling on woven, knitted, or crocheted fabric for a variety of effects.

About the AuthorANNE FIELD has been a weaver and spinner for more than 45 years. She is an international teacher, and her work has been exhibited in many countries. She is the author of more than six books, including The Ashford Book of Spinning, Collapse Weave also published by Trafalgar Square Books, and Spinning Wool: Beyond the Basics,
