Diamonds Famous Fatal : The History, Mystery and Lore of the World's Most Famous Gem

Leo P. Kendall : Diamonds Famous Fatal : The History, Mystery and Lore of the World's Most Famous Gem before purchasing it in order to gage whether or not it would be worth my time, and all praised Diamonds Famous Fatal : The History, Mystery and Lore of the World's Most Famous Gem:

0 of 0 people found the following review helpful. Three StarsBy Patricia MorrisOkay.1 of 2 people found the following review helpful. "Diamonds Famous and Fatal"By Adrienne E. Sanderson"Diamonds Famous and Fatal" explores the history, mystery, and lore of the world's most popular gem. The author chronicles the chaos and

bloodshed that is often accompanied by the quest for this precious stone. 10 of 12 people found the following review helpful. Major diamond finds of the centuries are chronicled. By Midwest Book Review In *Diamonds Famous Fatal: The History, Mystery Lore Of The World's Most Precious Gem*, Leo Kendall shares his fascination for the ways in which diamonds have influenced the history of the world. All the major diamond finds of the centuries are chronicled, examined, and described. A wealth of anecdotal and historical stories of outstanding diamonds are dramatically recounted and range from the Koh-i-Noor (dating back to at least 1526 and which affected the course of the Mogul Empire and finally ending up a part of the British Crown Jewels) to Henry VIII's diamond collar, the collection of Louis XVI, the Romanov gems, and more. Here also are the stories of such luminaries in diamond history as Cecil Rhodes and such diamond mines as the DeBeers. If you have an interest in the history, legend and lore of diamonds, the give a careful reading to Leo Kendall's *Diamonds Famous Fatal!*

In *Diamonds: Famous and Fatal*, Leo Kendall gathers both well-known and obscure facts and stories about diamonds, and interweaves these tales with the general history of the diamond. While the stories themselves are fabulous and strange, the history of the diamond is one of glittering allure and dark mystery. Everyone has heard the enigmatic stories of the Koh-i-Noor and Hope diamonds. But few know the bloody history of the "Moon of the Mountains," or the role that diamonds played in financing the intrigues of the royal houses of Europe and Russia. How many have heard the tale of the largest planned jewel robbery in history, in which many of the world's finest and most famous diamonds disappeared forever? The beauty, rarity, and lore of the diamond is the material of this remarkable book. Bizarre beliefs and events characterize the history of diamonds giving them a weighty impact on social history. The physical, spiritual, and emotional invincibility of the diamond is fully captured in this illustrated volume, making it a fascinating read.
