Dorset Buttons, Handstitched in Dorset for Over 300 Years

Thelma Johns : Dorset Buttons, Handstitched in Dorset for Over 300 Years before purchasing it in order to gage whether or not it would be worth my time, and all praised Dorset Buttons, Handstitched in Dorset for Over 300 Years:

1 of 1 people found the following review helpful. Handmade buttons--history and techniques...By L. BrannelLove the look of these handmade buttons. Thanks to this book I understand the history and how to reproduce these lovely objects. Esoteric for some but a thrill for the crafts person who is interested in clothing design1 of 1 people found the following review helpful. Five StarsBy Diane Donlehistory and instructions for making incredibly beautiful

buttons...this is a terrific book3 of 3 people found the following review helpful. For serious 18th Century Reenactors.By Bill SpenceI purchased this for my wife. Our hobby is American Colonial Era reenactment. She is very happy with the information and details within this book. We found out we were making our Dorset buttons incorrectly; but that has been remedied. Three items that I've noticed in the last 20 years that have flawed a reenactors attire: modern glasses, a wristwatch, and wrong buttons.
