[PDF] Early British Chairs Seats: From 1500 - 1700

## **Early British Chairs Seats: From 1500 - 1700**

**Tobias Jellinek : Early British Chairs Seats: From 1500 - 1700** before purchasing it in order to gage whether or not it would be worth my time, and all praised Early British Chairs Seats: From 1500 - 1700:

1 of 1 people found the following review helpful. A JOLLY GREAT BOOK!By Candle In The WindowAs I removed the book from the packaging I could tell that this was really something special. The photographs are spectacular and the informative text is well worth the price. You won't be disappointed. This book gives the reader a look at some very rare and beautiful collections of British, Scottish and Irish seating. Make some tea and have a wonderful read!3 of 3 people found the following review helpful. Excellent photos, well written narrativeBy T. Rettief if you are interested in the book's subject, this is a fantastic volume of well-shot color photos, with brief descriptions and measurements. The book covers a wide variety of chairs, benches and stools, mostly in private collections. Most are examples I have not seen published before. An fine companion book to Victor Chinnery's excellent "Oak Furniture, the British Tradition."0 of 0 people found the following review helpful. A Must for English Oak CollectorsBy Bruce W. BurnhamWithout question, this is the finest book available on early English oak stools, chairs and benches. The color photographs are

dramatic and include dimensions. Most of the photos are new; only a few go back to Chinnery. I could quibble about one or two comments, but these would be insignificant. A masterful work.

A study of fine early British domestic seating, demonstrating variations in style, effects of age and the qualities and characteristics of rare and authentic pieces.

"It...displays the superb quality and fascinating range of the finest furniture of this period." [www.antique.co.uk](http://www.antique.co.uk) About the Author Tobias Jellinek opened his first shop in 1966, specialising in early oak furniture. He has been a private consultant and dealer for several serious collectors and enthusiasts, and was the oak consultant for Sotheby's Auction House.
