## **Elegant Glassware of the Depression Era: Identification and Value Guide (Elegant Glassware of the Depression Era: Identification Value Guide)**

**Gene Florence, Cathy Florence : *Elegant Glassware of the Depression Era: Identification and Value Guide (Elegant Glassware of the Depression Era: Identification Value Guide)*** before purchasing it in order to gage whether or not it would be worth my time, and all praised *Elegant Glassware of the Depression Era: Identification and Value Guide (Elegant Glassware of the Depression Era: Identification Value Guide)*:

4 of 4 people found the following review helpful. Good place to startBy Ms.TThe book arrived as promised, on time, well packed so the vendor did fine.The book is also good, although the prices are scary and not realistic. It seems that much of the data was collected in the 'New Millennium Rush' when everyone paid too much for EVERYTHING - not just real estate. This book has quite a few color pictures and the collections are more complete than other books I've

seen, so a great place to start learning about Elegant Glass.0 of 0 people found the following review helpful. Five StarsBy Customerfor the glassware collector0 of 0 people found the following review helpful. Five StarsBy Customerlove these books by florence

Hundreds of new photos, listings and updated values. Handmade and acid-etched glassware sold in department and jewelry stores are featured. Included are 10 additional patterns and re-photographed items from previous books. Large group settings are included for each of the more than 100 patterns, as well as close-ups to show pattern details. Fenton, Cambridge, Heisey, Tiffin, Imperial, Duncan Miller, U.S. Glass, and Paden City are all included. 2003 values.

**AUTHOR BIO:** A collector since childhood, Gene Florence's hobby of buying and selling glassware turned into a full-time career. First writing a book on Depression Glass, Florence has gone on to author many popular glassware titles including books on Depression Glass; Occupied Japan Collectibles; Kitchen Glassware; Very Rare Glassware; 40s, 50s, 60s Glassware; Elegant Glassware; Stemware; Glassware Pattern Identification; Anchor Hocking's Fire-King; Glass Candlesticks; and Salt Pepper Shakers. **REVIEW:** Written by America's top authority on Depression glass, this book features the handmade and acid-etched glassware that was sold in department and jewelry stores from the Depression era through the 1950s, not the dime store give-away glass known as Depression glass. Gene Florence has added many new finds, as always, once again making this one of Collector Books' bestselling glassware titles. -John Alvey
