Empire Costumes Paper Dolls (History of Costume Series)

Tom Tierney : Empire Costumes Paper Dolls (History of Costume Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Empire Costumes Paper Dolls (History of Costume Series):

0 of 0 people found the following review helpful. The French versionBy ChrijeffIn France it was called Empire, in England Regency, so Tom Tieney has made a paper-doll book for each, although the styles were generally very similar. His models display the styles of France in the years 1800-15, when the "merveilluses" set the fashion for classical costume among women and the neoclassicists (who introduced pantaloons and trousers) and "incroyables" competed to serve as the trendsetters for men. The clothes include tailcoats, abbreviated spencer jackets, bicornes and top hats for men and close-fitting caps or brimmed hats or bonnets for women, checkered waistcoats and high cravats. Though not in the "History of Costume" series, Tierney's Fashions of the Regency Period Paper Dolls is drawn on the same scale and can and should be used with its counterpart.0 of 0 people found the following review helpful. Another beautiful doll bookBy H.Many wonderful and decidedly French influenced fashions are represented here. Not quite as

many costumes or as diverse a set of them as in Tierney's Regency doll book, but while I haven't used this set as much it has certainly been fun to compare the French and English styles. 3 of 3 people found the following review helpful.
Tierney Strikes Again! By A Customer Tom Tierney has produced another wonderful book of paper dolls! I have been collecting his period paper dolls since I was a child and have never been dissatisfied. This set is no exception. The costumes are fitted perfectly to the Empire period. They would also be a perfect gift for any child interested in books from this era, such as Jane Austen's works. They can become the pictures for otherwise un-illustrated books. They are also a must-have for any historical clothing fanatics. These paper dolls come highly recommended!

Elegant costumes for a wealthy couple of the French Empire (1804-1814) features 16 costumes, including graceful, high-waisted gowns, shawls, hats, bonnets, gloves, and other accessories for the lady; and pantaloons (later, trousers), embroidered silk coats, knee breeches, and black slippers for the man. Fashionable samples of day wear, court attire and wardrobe accessories will delight fashion lovers, costume historians, and paper doll devotees of all ages.

About the Author One of the leading authorities on fashion history, Tom Tierney created over 150 paper doll books for Dover Publications. With subjects ranging from U.S. Presidents to popular movie stars, Mr. Tierney's books are famous for being carefully researched and meticulously rendered. His releases are prized by fashion professionals, collectors, and paper doll lovers all over the world.
