(Read and download) Evolution of the Radio Vol #2

## Evolution of the Radio Vol #2

**Scott Wood : Evolution of the Radio Vol #2** before purchasing it in order to gage whether or not it would be worth my time, and all praised Evolution of the Radio Vol #2:

0 of 0 people found the following review helpful. A So-So BookBy CustomerNot as good as Volume 1, in my opinion, but still pretty good. The value in this is the advertising, because the price list is obsolete and better done elsewhere.0 of 0 people found the following review helpful. This volume, along with volume #1, is a ...By Joseph ConsoliThis volume, along with volume #1, is a must have for the radio collector. You'll refer to it very often to identify various sets.

Book by Scott Wood

Over 500 full color photographs of older radios make this an appetizing guide for those in the radio collecting field. As a stand-alone reference guide or used in conjunction with the first volume, this will make the search for current values

of collectible radios much simpler. Completely different content from the first volume makes this a wonderful addition to any antique reference library. 1994 VALUES -- Book Description
