Great pathway for weaving explorationBy Roxann HirstThis is a very interesting book with lots of great info for an intermediate weaver ready to move on and explore more techniques. It is comprehensive and well written as I expected from a classic. It will keep me busy for years. The copy I received was in very good condition for its age with a small amount of curling on the edges of the dust cover and a slight bit of discoloration starting on the pages0 of 0 people found the following review helpful. It was highly recommended to me by my weaving teacherBy Gay HartEvery weaver uses this book as their reference book!! It was highly recommended to me by my weaving teacher. A definite must have.0 of 0 people found the following review helpful. Five StarsBy English Lit BuffGreat book to have in my craft library.

Whether you are a beginner; a teacher, or an experienced weaver, this book will fill your needs perfectly. A one-book
