The Love of Lace

Cynthia Hart, Catherine Calvert : The Love of Lace before purchasing it in order to gage whether or not it would be worth my time, and all praised The Love of Lace:

0 of 0 people found the following review helpful. Five StarsBy DewbLoved it!!! And learned a lot, too!!!!2 of 2 people found the following review helpful. Great book-beautiful picturesBy Kindle CustomerThis is a great little book full of wonderful pictures and stories about lace and it's coming into being and it's place in history. Beautiful patterns are represented here along with stories and footnotes that are of interest to young and old alike.2 of 4 people found the following review helpful. A pretty little thing...By Ma HenBut that's about it. The information is a cursory skim of the subject, the pictures are small and overlap each other, the whole book is small and disappointing to me but it is...a pretty little, very little, light, slight and insignificant thing.

Nobles bankrupted themselves in pursuit of it. Young convent girls spent 60 hours just to make a square inch of it. The Victorians revived it, and today it still hasn't lost its romance and allure. The Love of Lace celebrates this enchanting fabric from its beginnings as crude open cutwork in the 14th century to the height of lace mania-when over a quarter of Europe's workers were employed as lace makers-to laces today and how to use and care for them. Gracing Catherine Calvert's richly informative text are Cynthia Hart's exquisite compositions mixing antique laces with fresh flowers, silver heirlooms, bibelots, a faded photograph. Fine enough to be drawn through a wedding band or heavily

worked for a dining table, lace is the highest expression of the needleworker's art, a poem in thread-and The Love of
Lace is universal.

About the AuthorCynthia Hart is a renowned designer and artist, and the owner/curator of The Cynthia Hart Collection of Cherished Images. She is the author of Cynthia Harts Victoriana Calendar, Cynthia Hart's Scrapbook Workshop, The Love of Lace, Parlor Cats, and other books. Her designs have been licensed to fragrance, gift, stationery, and home furnishing companies. Her studio is in New York City.
