## **The Official 1982 Price Guide To Antique Jewelry**

**Arthur Guy Kaplan : The Official 1982 Price Guide To Antique Jewelry** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Official 1982 Price Guide To Antique Jewelry:

VG,soft cover, 579 pps + index. Stated first edition.Illustrated on every page. Clean, unmarked. Cover and all pages, except color print section are tight. These pages are together but they have been printed on a quality paper stock which holds color better than it holds to seems. No tears. Cover does show shelf wear. A good resource for the collector.
