The Official Blackbook Price Guide to United States Coins 2010, 48th Edition (Official Blackbook Price Guide to U.S. Coins)

Thomas E. Hudgeons Jr. : The Official Blackbook Price Guide to United States Coins 2010, 48th Edition (Official Blackbook Price Guide to U.S. Coins) before purchasing it in order to gauge whether or not it would be

worth my time, and all praised The Official Blackbook Price Guide to United States Coins 2010, 48th Edition (Official Blackbook Price Guide to U.S. Coins):

0 of 0 people found the following review helpful. Well-written, Easy to useBy J. GatesAs my title states, this book is well-written and easy to use. My grandmother and I were able to easily look up several coins my grandfather left when he passed away. The book gives different values depending on condition of the coin, as well as an average buying price. There are descriptions of all of the terms used, too, which makes the book even more user-friendly.0 of 0 people found the following review helpful. Good reference bookBy CelticLady56I purchased this book as a companion for the World book. Like the World book,the United States issue is clear, understandable and easy to comprehend. A good book to complete the total world.0 of 0 people found the following review helpful. Coin CollectingBy IllinoianThis book is a must for any coin collector. Its an every year thing due to the fact that the coin, gold and silver market is so volatile. Very much like the stock market.

Blackbook US CoinsThe Official Blackbook Price Guide to United States Coins 2010, 48th Edition is packed with all the information you need to become a knowledgeable coin collector. Its filled with current values and the latest market reports, and it also includes:Over 18,000 pricesValues for every U.S. coin ever mintedAn updated market review that traces current trends in collecting and investingHundreds of coin illustrations and a fast-find index for easy identificationExtensive information on buying and selling coins at auction, coins shows, online, and through the mail
