(Library ebook) The Official Gun Digest Book of Guns Prices 2014

## The Official Gun Digest Book of Guns Prices 2014

**From Gun Digest Books :** The Official Gun Digest Book of Guns Prices 2014 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Official Gun Digest Book of Guns Prices 2014:

0 of 0 people found the following review helpful. not a picture bookBy williamv sinskiThis book is for a pro. It is not a picture book. As a gunsmith, I often use it to identify a gun because it discribes gun markings that can inform me of date and location of production.Not having pictures, it has room for almost all guns.It has so many guns that they are not listed in an index, so one has to search by brand.0 of 0 people found the following review helpful. Great Gun BookBy Julie Kraft-HumphreyMy husband was so happy with this book, said it is the best gun book he has ever had.I

was extremely pleased with the quick service, I was able to give it to him for Christmas, Thank you.0 of 0 people found the following review helpful. A little pricey.By A.M.Z.Nice book but a little pricey.Thank you.

Completely updated with hundreds of pricing changes and new model additions, this 2014 9th Edition draws on industry experts, auction house data, and sales from gun shows and retail shops across the country to provide pricing information across six condition grades.

About the AuthorJerry Lee has been editor of several leading magazines in the firearms industry, and is the current editor of both Standard Catalog of Firearms and the annual Gun Digest volume, in addition to editing The Official Gun Digest book of Guns and Prices for the past several years.
