The Official U.S. Mint Walking Liberty Half Dollars Coin Album: 1916-1947

From Whitman Publishing : The Official U.S. Mint Walking Liberty Half Dollars Coin Album: 1916-1947
before purchasing it in order to gage whether or not it would be worth my time, and all praised The Official U.S. Mint
Walking Liberty Half Dollars Coin Album: 1916-1947:

1 of 1 people found the following review helpful. Waste of Money, No Where Close to Described Condition, Album Pages Completely Torn out of Album Cover!By CustomerItem was described as being "like New" condition. Wasn't even close. It's useless to me in it's current state. The rivets that hold the album pages into the Album are both completed broken from the plastic, so the album pages won't even stay in the folder. It came to me like that straight out of the plastic. I can't even reattach them using new rivets because the plastic is broken. See photo. In addition to this some of the pages are torn so the plastic protector sleeves won't stay in. Waste of money.0 of 0 people found the following review helpful. Worth it!By Jose P.Great! Well designed and built, protects coins and leaves details in

evidence.
