**From Whitman Publishing : The Official U.S. Mint Washington Quarters Coin Album: 1965-1998** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Official U.S. Mint Washington Quarters Coin Album: 1965-1998:

1 of 1 people found the following review helpful. Wrong Item long time to delivery broken and missing one page out of sixBy davidI received this item broken and missing a page. The page to insert Washington quarters dated 1974 through 1979 is missing which makes this item useless. The binding was also broken. What a peace of junk. To top it off I originally received the wrong item so I had to send the wrong item back and had to wait again to receive the correct item. It took almost two months for to deliver this item which was broken and missing 1 page out of 6. If I could give a negative star I would0 of 0 people found the following review helpful. high quality and very value for this price .By GreshamIt is a great product. Fits into our product block. just fine, have a good experience. Very well. she says it is very beautiful ,
