[Free] The Pottery of the Shenandoah Valley Region (Frank L. Horton Series)

## **The Pottery of the Shenandoah Valley Region (Frank L. Horton Series)**

**H. E. Comstock : The Pottery of the Shenandoah Valley Region (Frank L. Horton Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pottery of the Shenandoah Valley Region (Frank L. Horton Series):

5 of 5 people found the following review helpful. If you can find this book, buy it!By A CustomerThe definitive work on Shenandoah Valley Pottery and a "must-have" for anyone wishing to collect these beautiful and interesting objects.

H.E. Comstock can still be seen at auctions in the Shenandoah Valley and is as intersting as his book.

From Library JournalThe Shenandoah valley, a culturally distinct mountainous area encompassing parts of Pennsylvania, Maryland, West Virginia, and Virginia, has a tradition of utilitarian folk pottery dating back to 1750.

Alvin H. Rice and John Baer Stoudt's The Shenandoah Pottery (1929) was written in response to early collector interest. Now Comstock, a collector and museum consultant residing in the valley, presents a comprehensive study including a general history of the pottery trade, a well-illustrated description of the pieces produced in the valley, and biographical sketches of individual potters. This excellent regional pottery history is highly recommended for all antiques and decorative arts collections. Constance Ashmore Fairchild, formerly with Univ. of Illinois Lib., Urbana-
